

Ever After
Aaron Shust

[Verse 1]

C **G** **Am**
I hate to be the one to break the news
F **C** **G**
To let you down, but I can't lie to you
C **G** **Am**
There's things about the world I wish weren't true
F **C** **G**
I guess by now, you must have had a clue
Am **F**
It seems you're growing up fast
Dm
I tried my best to push back
G
Would you believe me if I told you...

[Chorus]

F **C**
There's no such thing as Peter Pan
F **C**
No such place as Never Never Land
Am **F** **G**
I wish we all could have those tiny magic wings
F **C**
But we live in a world with wars
F **C**
It's not like it was before
Am **F** **G**
We won't find our happy ever after here
C **G** **F**
There's no such thing

[Verse 2]

C **G** **Am**
I've dreaded this talk for so long
F **C** **G**
I knew someday, you'd wonder what went wrong
C **G** **Am**
We get to be the story of it all
F **C** **G**
For the Glory of it all and so we move along
Am **F**
This is not where it ends
Dm
It's just where it begins
G
Would you believe me if I told you...

[Chorus]

There s no such thing as Peter Pan
No such place as Never Never Land
I wish we all could have those tiny magic wings
But we live in a world with wars
It s not like it was before
We won t find our happy ever after here
There s no such thing

[Bridge]

It s not where we belong
And if it s feeling wrong
Oh you must stay strong
Cause it was here
That I first saw your face
Every night I pray
That you d believe the same

[Chorus]

There s no such thing as Peter Pan
No such place as Never Never Land
I wish we all could have those tiny magic wings
But we live in a world with wars
It s not like it was before
We won t find our happy ever after here
There s no such thing
There s no such thing

[Outro]
