When You take over, take over

Can You take over me?

-Verse 2

I tried before
To let go
And I just hold on more
Amazing Lord
I need the strength to let go
And be Yours

So now I m singing...

-Chorus 2

Can You take over?
Take over
Can You take over me?
I ve been here over and over again
Here on my knees
I m only closer and closer
To where I wanna be
When You take over, take over
Can You take over me?

-Bridge

C **D** **C**
I surrender all I have
 D **C**
And I surrender all I am
 D **Em** **D** **C**
As I remember what You ve done to set me free

I just want to sing...

-Chorus 3

Can You take over?
Take over
Can You take over me?
I ve been here over and over again
Here on my knees
I m only closer and closer
To where I wanna be
When You take over, take over
Can You take over me?

Can You take over?
Take over
Can You take over me?
I ve been here over and over again
Here on my knees
I m only closer and closer
To where I wanna be
When You take over, take over
Can You take over me?
