B   F#   G#m
Can you take me by the hand?

Break me into who you want me to be
B   F#   G#m
When the time is finally right

Will you open up my eyes?

Show me everything you want me to see

This life is not my own

Everything I say and do

The glory is yours alone

Yours alone

[Verse 2]
```
B           F#              G#m
Take the offering I bring
              E                    B
You want more than what I sing
        F#          G#m            E
Can I give you every part of me
B           F#              G#m
Turn these pennies into gold
              E                B
Take this life I call my own
   F#           G#m                  E
Until I m running after your heart
