

Wondrous Love
Aaron Shust

For your information, this song had been transposed to a girl s key. Thank you and enjoy!

Key: **E**

Wondrous love
Aaron Shust (ft. Kari Jobe)

E **A** **B**
That You would leave Your throne
E **B** **C#m**
And make this world Your home
E **A** **B**
Forsaking majesty
E **B**
Embracing mundane
A
All of its shame

E **A** **B**
You walked our dusty streets
E **B** **C#m**
Healing a world in need
E **A** **B**
You look into the eyes
E **B**
Of sinners like me
A
Setting us free

E
What wondrous love is this
C#m
What wondrous love is this
F#m **A** **B**
That You would lay aside Your glory for my soul
E
What wondrous love is this
C#m
What wondrous love is this
F#m **B** **A**
That You would lay down Your life for my soul

E **A** **B**
Enduring agony
E **B** **C#m**
You bore the cross for me

E **A** **B**
Betrayed by those You love

E **B**
You took all our blame

A
Bearing our pain

E
They nailed Your feet

A
They nailed Your hands

C#m **B**
You are the God who understands

E
You know rejection

A
Loss and grief

C#m **B**
You loved a world that nailed you to a tree
