

Everything I Own

Aaron Tippin

{t:Everything I Own}  
{st:Aaron Tippin}  
{comment:Intro:}  
[G] [A] [D]

I can't show you with pearls and diamond rings [G]  
All I can give are dances in the rain [G]  
I can't cover you in satin sheets, but you'll be just as warm  
Wrapped up each night, inside my loving arms [A]

{comment:Chorus:}  
I can never lay the world down at your feet  
The moon and stars will always be beyond my reach [F#m]  
All I have is one true heart that beats  
For you and you alone [A]  
You can have everything I own [G] [F#m] [D]

I can't promise you the life that money buys  
But I can promise you a richer life [G]  
There's places you may never see, but one thing you can know  
I'll be there with you, whenever we don't go [A]

{comment:Chorus:}  
I can never lay the world down at your feet  
The moon and stars will always be beyond my reach [F#m]  
All I have is one true heart that beats  
For you and you alone  
You can have everything I own [G] [A] [F#m]  
All I have is one true heart that beats  
For you and you alone  
You can have everything I own [Bm]  
Oh, you can have everything I own [G] [A] [D] [G] [D]
