The same one that flew from my arms last night

E C#m

Last night when she left I told myself

A **E**

That she wouldn't go too far

C#m

Now I'm not so sure how long her tears

A **B**

Could last in a stranger's arms

A **B**

She's wounded I know and feeling so low

E **C#m**

She could fall at anytime

A **F#m**

I don't know what I'd do if I were to lose

A **B**

That precious angel of mine

[Chorus]

C#m **A** **E**

Looking for my blue awoo-whoowoo angel

G# **A** **B**

The same one that flew from my arms last night

C#m **A** **E**

If you see my blue awoo-whoowoo angel

A **B** **C#m**

Tell her that heaven without her feels like hell tonight

F#m **B (Break)**

Yes, tell her heaven without her feels like hell tonight
