

## Whole Lotta Love On The Line

Aaron Tippin

Standard tuning, no capo

To get the sound he has you need to use your pinky on the high E string. So for the G and A chords you need to use bar chord voicing. Listen to the song to find the rhythm.

Intro: **D Dsus**

**D** **G** **D**  
I ve called from every run down phone booth in Atlanta, Georgia  
**G** **D**  
Tryin to find someone to tell me where you d gone  
**G** **D** **G**  
I begged and pleaded with your mama til she gave me this number  
**D** **A**  
Honey, we can work it out  
**D**  
Just come back home

**D** **G** **D**  
Cause there s a whole lotta love on the line  
**G** **D**  
And all I need is a chance to change your mind  
**G** **D** **G**  
Don t hang up the phone, cause everything s not gone  
**D**  
Think about it, baby  
**A** **D**  
There s a whole lotta love on the line

**D** **G** **D**  
All this distance that s come between us has gone far enough  
**G** **D**  
And now I know that closer to you is where I belong  
**G** **D** **G**  
And that feelin I m feelin inside is what I m tryin to send through these wires  
**D** **A**  
Oh, darling who cares  
**D**  
Who s right or who s wrong

**D** **G** **D**  
Cause there s a whole lotta love on the line  
**G** **D**  
And all I need is a chance to change your mind  
**G** **D** **G**

Don t hang up the phone, cause everything s not gone

**D**

Think about it, baby
