

Amarillo Fair
Aaron Watson

G **C** **G** **D**
I ve never won a bear thrown a ball at the tri-state fair
G **C** **D7** **G**
I couldn t hit the broad side of a barn
C **D** **G** **G/F#** **Em**
You were laughing at me and looking mighty dandy
C **D7**
Licking your lips and your cotton candy
C **D** **G** **G/F#** **Em**
I fell in love with you right then and there
C **D7** **G**
When I saw you at the Amarillo Fair
G **C** **G** **D**
Time stood still as we rode the Ferris wheel
G **C** **D** **G**
There I was on top of the world
G **C** **G** **D**
I said that I ve been known to be accident-prone
G **C** **D** **G**
So I asked you if I could hold your hand
C **D** **G** **G/F#** **Em**
That night I stole a kiss on the tunnel of love
C **D7**
And to this very day I still can t get enough

My hearts a tilt a whirl since I gave it to you girl
I don t want this ride to ever end
Corn dogs and barbecue a frosted funnel cake and you
All made that night to good to be true

I ve never won a bear throwing a ball at the tri-state fair
I still can t hit the broad side of a barn
I ve never won a thing till I gave you a diamond ring
Now I m the luckiest man in the world
