

Heaven Help The Heart

Aaron Watson

C **G**
Like a killer at large
 C **F**
You stroll down Bourbon Street
 C **G**
Lookin for an easy mark
 C **F**
With every man you meet
 C
I never saw the devil
 F
Behind your angel eyes
 C
Spellbound by your longlegs
 F
And your little white lies

 G
Oh, heaven help the heart
 C **F**
That falls head over heels
 C
Cause you ll tear it all apart
 G
Just to see how it feels
 C
How can you be so hot
 F
And so cold blooded too
 G
Oh, heaven help the heart
 C **F**
That falls in love with you

 C
You re no Adelaide
 F
No pretty Cajun queen
 C **G**
Just a bad girl from Biloxi

 F
Or addicted to morphine
 C
And when your love wears off
 F
There s nothin left but pain

G

And enough tear drops fallin

C

F

To flood Lake Ponchatrain

C

I can see you smilin

G

In some Creole cafe

F

Slippin your love potion

C

Into someone s etufe
