Intro: (E)(Emaj9)(Aadd9) (E)

Verse 1:

(E)Pinch me I must be dreaming, waking (Emaj9)up with you and feeling...
The (Aadd9)tender touch of your good morning (E)kiss...
(E)No where else on earth is better than (Emaj9)being next to you...
Next to (Aadd9)heaven, it doesn't get any better than (E)this...

Chorus:

Next to (A)heaven lies my fate, my best (E)friend and my sole mate...
God (B7)knows this kind of love... only (E)comes from up above...
You're the (A)answer to my prayers, oh (E)nothing else compares...
I'm next to (B7)heaven...(A)... when I am next to (E)you...(Emaj9)(Aadd9) (E)

Verse 2:

And you (E)look just like an angel tangled in (Emaj9)white satin sheets...
Lying (Aadd9)there... with your hair all in a (E)mess...
And I (E)swear you look your best... all (Emaj9)dressed up next to nothing...
Next to (Aadd9)heaven, it doesn't get any better than (E)this...

Chorus:

Next to (A)heaven lies my fate, my best (E)friend and my sole mate...
God (B7)knows this kind of love... only (E)comes from up above...
You're the (A)answer to my prayers, oh and (E)nothing else compares...
Cause I'm next to (B7)heaven...(A)... when I am next to
(E)you...(Emaj9)(Aadd9) (E)

Next to (A)heaven lies my fate, my best (E)friend and my sole mate...

Cause I'm next to (B7)heaven...(A)...

Next to (A)heaven lies my fate, my best (E)friend and my sole mate...
