A
Well I guess we ll get our freedom,
F#m
and a so called fresh new start,
Bm
when you take half of everything,
E
you ll be takin half my heart.
Bm
Our love got lost some where,
F#m
in life s complications,
Bm
all between two lawyers,
E **Dsus2**
and their legal intigations.
A
Off the record,
F#m
is somethin i need to say to you,
Bm
this aint easy,
E
but its what my heart has to do,
A
cause i can t let you go,
F#m
untill i let you know,
Bm
Off the record,
E **A**
im still in love with you.

I took down our wedding picture,
from above the fireplace,
I stood there a while,
staring at your pretty face.

Have we lost our love,
the difference is we cant resolve,
but if push comes to shove,
Thank God not children are involved.
I can still see you throwin your rose boquet.
never thought I d see the day,
we d throw it all away.
