

That Look

Aaron Watson

D

She keeps it all together, I always come unwound

Bm

She s cool calm and collected, I wanna paint the town

G

She s like a Sunday morning, I m a dancehall saturday night

A

She s like a stain glass window, I m a lonestar neon light

D

She has another side, that no one sees but me

Bm

She is the only one, that brings me to my knees

G

There s something about Sinatra, and a bottle of Chardonnay

A

Without a single word, she takes my breath away

[Refrão]

G

A

When she gets that look in her eyes, when she gets that want you

D

G

Need to love you, right now that kind of look in her eyes

A

D

She s always lookin so fine, that I can t believe mine

Bm

A

And when those stars align, just add a little white wine

D

A

Bm

And moonlight and that girl s off the hook

G

A

D

Bm

When she s good she s good, but even better when she gets that look

D

She sparkles like a diamond, she twinkles like a star

Bm

She s like a ray of sunshine, that always melts my heart

G

And when I m feeling empty, her love makes me whole

A

Just like a country breeze, that soothes my weary soul

[Refrão]
