

Unbelievably Beautiful

Aaron Watson

D Bm G A
Whenever she walks flowers grow in her footsteps
D Bm G A
Whenever she talks all the birds hush their singing
D Bm G Gm
The heart of a saint and the face of an angel
Em A D
Absolutely unbelievably beautiful

And when this cruel world s been gettin me down
She ll take my frown and she ll turn it back around
Like a clown, she ll crack a joke
Acting crazy as a fool
Absolutely unbelievably beautiful

G A
It d be a big old fat lie, if I said I
Em A D D7
Wasn t turned on just by her looks alone
G Gm A Bm
She s so much more, so much more than meets the eye
Em A
She s an angel on loan from up above

And when I come home and the day is sinkin down
She ll set the mood and put some soft slow music on
And all 7 wonders ain t half as wonderful
Never ceases to amaze me
The epitome of what love should be
Absolutely unbelievably beautiful
