

20 Percent
Abandoning Sunday

Bm **G** **Bm**
What s left to say when all the words seem so inadequate
Em G Bm
What s left to do to show the way I really feel about it
G Bm
Pain grips my heart just like the grasp that he has on the hand of
G Bm
Right from the start, holding my heart, always the one that I love

G Bm G

Bm G Bm
The one true face of beauty and the eyes of perfection
G Bm
Never fail to elude me, looking in the wrong direction
G Bm
Speaking the words you mean for someone else but never for me
G
As all he dreams are washed away of what I prayed we could be

A Bm G
And my heart dies and my soul cries out
A Bm G
And inside I know this is what love is all about
A Bm
Wanting only to see you happy
G
Even if it means without me
Bm A
A sweet glance but nothing more
Bm G
Nothing more

Bm G (x2)

Bm G Bm
It s all so innocent how you re slowly killing me inside
G D Bm
And it s so innocent how I m barely hanging on alive
G Bm
And every single word of these have been so hard to write
G
And every single word of these have kept me up all night
A Bm G
And my heart dies and my soul cries out
A Bm G

And inside I know this is what love is all about

A Bm

Wanting only to see you happy

G

Even if it means without me

Bm A D Bm

A sweet glance but nothing more

Nothing more

D

It's all I'd sacrifice just to look in your eyes

G D A G D Bm

And tell you all the words that I have never heard

D A D G

But it's all so mundane, it all ends up the same

A

And I just end up hurt

Bm G Bm

Sweetly innocent how inside you're tearing me apart

G Bm

Too many failed attempts at what remains, to fix this shattered heart

G Bm

Feelings rampant running wild and unavoidable lately

G

Words I want to scream but can't, I love you

A Bm G

And my heart dies and my soul cries out

A Bm G

And inside I know this is what love is all about

A Bm

Wanting only to see you happy

G

Even if it means without me

Bm A

A sweet glance but nothing more

D Bm G

Nothing more

Bm G

Nothing more
