Everybody screamed, when I kissed the teacher

When I kissed the teacher. All my friends at school

He looked like a fool, nearly petrified cause he

 Couldn't quite believe his eyes, when I kissed the teacher

The world stood still but then he just smiled, I was in

One of these days                  gonna tell him

One of these days      gonna show him I care

Gonna teach him a lesson alright.

I was in a trance when I kissed the teacher. Suddenly I took the chance, when I kissed the teacher.

Leaning over me, he was trying to explain the laws of geometry. And I couldn't help it I just had to kiss the teacher.

What a crazy day, when I kissed the teacher. All my sense had flown away, when I kissed the teacher.

My whole class went wild, as I held my breath the world stood still and he just smiled. I was in the 7th heaven when I kissed the teacher.
