

It's Magic
Abbey Lincoln

A9 **A**

You sigh, the song begins

A7M **Cdim** **Bm5-/7** **E7** **Bm5-/7** **E7** **Edim** **E7**

You speak and I hear violins it's magic

E7 **Bm5-/7** **E7**

The stars desert the skies

E9 **Bm5-/7** **E7** **A7M** **A**

And rush to nestle in your eyes it's magic

E7/13- **A6** **Bbm5-/7** **Edim** **E9** **Edim** **E7** **Bm7**

Without a golden wand or mystic charms

Bm5-/7 **F#m** **B7** **F#m7** **B7** **Bm5-/7** **E7**

Fantastic things begin when I am in your arms

A9 **A**

When we walk hand in hand

A7M **Cdim** **Bm5-/7** **E7** **Bm5-/7** **E7** **Edim** **E7**

The world becomes a wonderland it's magic

E7 **Bm5-/7** **E7**

How else can I explain

E9 **E7** **Bm5-/7** **E7** **C#m5-/7** **F#7**

Those rainbows when there is no rain? It's magic

C#m5-/7 **F#7** **Bm5-/7** **Dm**

Why do I tell myself

Fdim **A7M** **F#m7** **B7** **A**

These things that happen are all really true

A9 **Fdim** **F#m**

When in my heart I know

B7 **Bm5-/7** **E7/9-** **E7** **A** **F#m** **Bm7** **Bm5-/7** **E7** **A** **A7M**

The magic is my love for you
