Hey Mr. Tambourine Man play a song for me

```
Though you might hear laughing spinning swinging madly across the sun
It s not aimed at anyone, it s just escaping on the run
And but for the sky there are no fences facing
                    Α
And if you hear vague traces of skipping reels of rhyme
                                                              G
To your tambourine in time, it s just a ragged clown behind
         D
I wouldn t pay it any mind
It s just a shadow you re seeing that he s chasing
                      D
Hey Mr Tambourine Man play a song for me
I m not sleepy and there ain t no place I m going to
Hey Mr Tambourine Man play a song for me
In the jingle jangle morning I ll come following you
And take me disappearing through the smoke rings of my mind
Down the foggy ruins of time far past the frozen leaves
The haunted frightened trees, out to the windy bench
                         Bm
Far from the twisted reach of crazy sorrow
Yes to dance beneath the diamond sky with one hand waving free
Silhouetted by the sea circled by the circus sands
                                                       G
With all memory and fate driven deep beneath the waves
Let me forget about today until tomorrow
Hey Mr. Tambourine Man play a song for me
I m not sleepy and there ain t no place I m going to
Hey Mr. Tambourine Man play a song for me
In the jingle jangle morning I ll come following you
