

D	D/C#	Bm	Bm/A	G	D/F#	Em	A
All my lights are out,	this is not my kind of bliss						
My painted lips are numb in this stranger's empty kiss							
I saw shadows at your feet my empty shoes have left me here							
I knew then that the rain would come when we watched the rainbow disappear							

Iâ€™™ not holding on, even to the lack of you
Iâ€™™ not running movies in my head
Iâ€™™ not searching for your feet in bed
Iâ€™™ not sleeping in your T-shirt
Baby Iâ€™™ not making tea for two

G A D D/C# Bm Bm/A
 Dreams will fly just one more night
 And Iâ€™ll let you go just like a kite A
 I won t turn around and Iâ€™ll wake up singing again

(Chorus) x2
