Im Not Missing You Abby Dobson

I'm not missing you Abby Dobson

D D/C# Bm Bm/A G D/F# Em A

All my lights are out, this is not my kind of bliss
My painted lips are numb in this stranger's empty kiss
I saw shadows at your feet my empty shoes have left me here
I knew then that the rain would come when we watched the rainbow disappear

Ch: F#m G F#m G A F#m

I'm not missing you I'm not staring into space

G A

I'm not blue I'm not blue

Iâ \in TMm not holding on, even to the lack of you Iâ \in TMm not running movies in my head Iâ \in TMm not searching for your feet in bed Iâ \in TMm not sleeping in your T-shirt Baby Iâ \in TMm not making tea for two

(Chorus)

G A D D/C# Bm Bm/A

Dreams will fly just one more night $\hbox{And I} \widehat{a} \in \mathbb{R}$ I won t turn around and $\widehat{a} \in \mathbb{R}$ wake up singing again

For the first time and forever I say a million times goodnight It seems easier to love everybody else than to love just one man right

(Chorus) x2
