Verse
Am
Welcome to the great republic
G
Guess I should show you round
F   **G**
Where once I was a King, and now I am a clown
Am   **G**
The love that we once shared, made a King of me
F
But now you re gone, but now you re gone
G
All I face is poverty

Am   **G**
King without a heart, King without a hope
                           F
King without a woman baby
                        G   **Am**
Oh, I m a King without a crown
Am   **G**
King without a heart, King without a hope
                             F
King without a woman baby
                          G   **Am**
Oh, I m a King without a crown

Verse
Am
Hell hath no fury (Hell hath no fury)
G
Like a woman scorned (Like a woman scorned)
F
But heaven don t boast, no heaven don t boast
G
The jewel, the pretty jewel I just pawned (I just pawned)
Am   G
Every cloud has a silver lining (Every dog has its day)

```
               F
Oh, but I guess the sun stopped shining (shining, shining)
G
On the day you went away

Am                                   G
King without a heart, King without a hope
                       F
King without a woman baby
                 G      Am
Oh, I m a King without a crown
Am                                   G
King without a heart, King without a hope
                       F
King without a woman baby
                 G      Am
Oh, I m a King without a crown
Am                                   G
King without a heart, King without a hope
                       F
King without a woman baby
                    G              Am
Yes, I m a King (King), King without a crown

Verse
Am                       G
Bathed in former glory, deposed from my throne
        F
How do I get to tell my story
G
When all get s your answerphone, but you ain t home
Am                       G
With the love you gave, I felt like royalty
        F
But now you re face to face, face to face
G
With one ex-member of the aristocracy

Am                                   G
King without a heart, King without a hope
                       F
King without a woman baby
                 G      Am
```

```
Oh, I m a King without a crown
Am                                        G
King without a heart, King without a hope
                       F
King without a woman baby
                         G      Am
Oh, I m a King without a crown
Am                                        G
King without a heart, King without a hope
                         F
King without a woman baby
                         G              Am
Yes, I m a King (King), King without a crown

Outro
Am  G           F                    G
    There s no need to feel down
Am          G                   F   G
Yeah, just take a look around
              Am                 G              F
You ll see a man who s just a man, nothing more
          G      Am
A King without a crown
```
