

The Look Of Love

ABC

+Intro

F G Am G X4

F G Em F  
When your world is full of strange arrangements  
F G Em F  
And gravity won't pull you through  
F G Em F  
You know you're missing out on something  
F G Em F  
Well that something depends on you

F G  
All I'm saying  
Em F  
It takes a lot to love you  
F G  
All I'm doing  
Em F  
You know it's true  
F G  
All I mean now  
Em F G  
There's one thing yes one thing that turns this  
Em F  
gray sky to blue

F G Am  
That's the look, that's the look  
G F  
The look of love  
Am G Am

When your girl has left you out on the pavement  
(goodbye)  
Then your dreams fall apart at the seams  
Your reason for living's your reason for leaving  
Don't ask me what it means

Who got the look?  
I don't know the answer to that question  
Where's the look?

If I knew I would tell you  
What s the look?  
Look for your information  
Yes there s one thing, the one thing that still holds true  
What s that?

(CHORUS again)

Interlude:

Am G Em F Am G Em G

If you judge a book by the cover

Then you judge the look by the lover  
I hope you ll soon recover  
Me I go from one extreme to another

And all my friends just might ask me  
They say, Martin maybe one day you ll find true love  
And I say, Maybe there must be a solution to  
The one thing, the one thing we can t find

That s the look, that s the look  
Sisters and brothers  
That s the look, that s the look  
Should help each other  
That s the look, that s the look  
Oh oh oh  
Heavens above  
That s the look, that s the look  
Hip hip hooray ay  
That s the look, that s the look  
Yippie ai yippee aiay  
That s the look, that s the look  
Be lucky in love  
Am G Am  
Look of love
