From an early age

I was taught to respect

That a broken heart, girl

Ain t a thing you collect

Close your eyes and say

Nothing lasts a day

You re wasting my time

Yet I love to love you

Dm

Close your eyes and say

Honor love obey

You re wasting my time

Yet I love to love you

Dm

It s cold outside, the night love died

On the night you murdered love

It s cold outside, the night love died

C

On the night you murdered love

```
Dm
January, February
March and April, May
June, July sees you go by
I see love walk away
Dm
Didn t use a blade
A bullet or a gun
Dm
You poisoned the moonlight
When you put out the sun
Dm
Close your eyes and say
Nothing lasts a day
You re wasting my time
Yet I love to love you
Dm
Close your eyes and say
Honor love obey
You re wasting my time
Yes, I love to love you
Dm
It s cold outside, the night love died
On the night you murdered love
Dm
It s cold outside, the night love died, baby
            C
On the night you murdered love
Dm
January, February
March and April, May
June, July sees you go by
I see love walk away
```
