

**How Short A Time**  
**Absynthe Minded**

how short a time - absynthe minded

(can play a D between Em and C for one stroke. Try to get the timing of the chords right)

**Em C D (\*3)**

**Em C Am**

**Em**                    **C**  
Don t move your head

**C**                    **D**  
Leave it next to mine

**Em**                    **C**  
So close to me

**C**                    **D**  
My back up for tonight

**Em**                    **C**  
I m gonna be straight forward

**C**                    **D**  
As you expect me to be

**Em**                    **C**  
The given is mislead us

**Am**  
Baby now I see it

**C**                    **D**                    **Em**                    **G**  
How short a time does it take (x3)

**C**                    **Bm**  
Making it sound like it happens all the time

Your laugh and smile  
It s same to me  
Tearing up and things  
Are untouched tonight  
I ve got a gut feeling  
This will get us into trouble  
Flowing in this bubble  
A bound of touched soil

**C**                    **D**                    **Em**                    **G**  
How short a time does it take (x3)

**C**                    **Bm**  
Making it sound like it happens all the time

**Em C D (\*x)**

**C**                    **D**                    **Em**                    **G**  
How short a time does it take (x3)

**C**                    **Bm**

Making it sound like it happens all the time

**Em C D (\*x)**

**Am**
