

Pretty Horny Flow
Absynthe Minded

ABSYBNTHE MINDED - PRETTY HORNY FLOW

[Intro]

F G# C#
G F# F

[Verse]

F G# C# G F#
This is a story that I never told before

F G# C# C
A quiet afternoon drink well I want more...

F G# C# G F#
The waitress is too hot to pick on

F
She got her breasts from mother nature and she hates to work in places

F
Like this

G# C# G F#
The people are stupid and bored

F G# C# C
Well it s hard to pay the bills and I forgot to take my pills

F G# C# G F#
I sometimes wonder how they make it through the day

F
I checked it out that night I took delight

[Chorus]

Bbm C#
But now I know

F
you re so empty

G# G F# F Bbm C#
And when it s time to go

F
You ll feel unsatisfied

G# G F# F Bbm
Cause you didn t use your mind

C# G#
Deliberately stayed behind

G# G F#
You overlooked

F# E
And now you re hooked

F G# C#
And I don t mind **G F# F (repeat)**

[Verse]

F **G#** **C#** **G F#**
The fiercest thing to say is that I am one of them
F **G#** **C#** **C**
I got to see her in her glory and man I wanted more...
F **G#** **C#** **G F#**
She has this pretty horny flow
F
I had a pleasant night, a ride home, my body felt like reborn
F **G#** **C#** **G F#**
And hers it felt like never touched before
F **G#** **C#** **C**
But that ain't no fact that she pushed me on my back
F **G#** **C#** **G F#**
She goes on and on and on
F
I checked it out that night, I took so much delight

[Chorus]

Bbm **C#**
But now I know
F
you're so empty
G# **G** **F#** **F** **Bbm** **C#**
And when it's time to go
F
You'll feel unsatisfied
G# **G** **F#** **F** **Bbm**
Cause you didn't use your mind
C# **G#**
Deliberately stayed behind
G# **G** **F#**
You overlooked
F# **E**
And now you're hooked
F **G#** **C#**
And I don't mind **G F# F** (repeat)
