C#5	F5
Drank in a pub on a saturday night	
Bb5	
Me and the boys were feelin` alright	
F#5	C#5
Then we walked the streets feelin` loads of pride	
G#5	
Proud with our roots and our way of lives...	
C#5	F5
Then stood some geezers tried to steal the night	
Bb5	
Stared at us, tried to pick a fight	
F#5	C#5
Me and the boys were waiting for the start	
G#5	
As we prepared for an aggro, oh! what a night....	

Pre Chorus:

F#5
That`s the story of how our lives go
C#5
We have been treated like a bunch of snucked up fools
G#5
Scorned by many, understood by few
F#5
There`s not much things left for us to do
F5
Don`t wanna go back to dark days of mine
F#5
Where i`ve gone too far, i could`ve killed someone
C#5
But i don`t wanna sit down behaving like a cunt
G#5.....

While watching my mates doing the best they can

Chorus:

..... **C#5**

In the streets of uptown

F5

ooooooooohhhh!

Bb5

Streets of uptown

F#5

It is our ups and our downs.....

C#5 **G#5**

And it goes around and around....

C#5

In the streets of uptown

F5

Ooooooooooh!

Bb5

Streets of uptown
