D5	F#5
Drank in a pub on a saturday night	
B5	
Me and the boys were feelin` alright	
G5	D5
Then we walked the streets feelin` loads of pride	
A5	
Proud with our roots and our way of lives...	
D5	F#5
Then stood some geezers tried to steal the night	
B5	
Stared at us, tried to pick a fight	
G5	D5
Me and the boys were waiting for the start	
A5	
As we prepared for an aggro, oh! what a night....	

Pre Chorus:

G5
That`s the story of how our lives go
D5
We have been treated like a bunch of snucked up fools
A5
Scorned by many, understood by few
G5
There`s not much things left for us to do
F#5
Don`t wanna go back to dark days of mine
G5
Where i`ve gone too far, i could`ve killed someone
D5
But i don`t wanna sit down behaving like a cunt
A5.....

While watching my mates doing the best they can

In the streets of uptown

It is our ups and our downs.....
