Touch Too Much
AC/DC

[Verse]
```
        E
It was one of those nights
          C
When you turned out the lights
     A
And everything comes into view
         E
She was taking her time
       C
I was losing my mind
           A
There was nothing that she wouldn t do
    C
It wasn t the first
It wasn t the last
      A
She knew we was making love
       C
I was so satisfied
Deep down inside
        A
Like a hand in a velvet glove
```

[Chorus]
```
                  E       G           A       (C to D)
Seems like a touch, a touch too much
Seems like a touch, a touch too much
    E               G
Too much for my body, too much for my brain
A                         C         D
This kind of woman s gonna drive me insane
            E   G         A    D D D
She s got a touch, a touch too much
```

[Verse]
```
           E
She had the face of an angel
C
Smiling with sin
   A
A body of Venus with arms
E
Dealing with danger
C
Stroking my skin
       A
```

Let the thunder and lightening start
   C
It wasn t the first
It wasn t the last
   A
It wasn t that she didn t care
    C
She wanted it hard
And wanted it fast
    A
She liked it done medium rare

[Chorus]
          E   **G**   **A**   (**C** to **D**)
Seems like a touch, a touch too much
Seems like a touch, a touch too much
   E   **G**
Too much for my body, too much for my brain
A   **C**   **D**
This kind of woman s gonna drive me insane
        E   **G**   **A**   **D D D**
She s got a touch, a touch too much

[Chorus] (x2)
        E   **G**
Seems like a touch, (touch too much)

      A (**C** to **D**)
