

You Shook Me All Night Long

AC/DC

[Verse]

She was a fast machine, she kept her motor clean
She was the best damn woman I had ever seen
She had the sightless eyes telling me no lies
And knockin me out with those american thighs
Taking more than her share, had me fighting for air
She told me to come, but I was already there
Cause the walls stop shaking, the earth was quaking
My mind was aching and we were making and you -

[Chorus]

Shook me all night long
Yeah you, shook me all night long

[Verse]

Working double line, on the seduction line
She was one of a kind, She just mine all mine
Wanted no applause, just another course
Made a meal out of me and came back for more
Had to cool me down to take another round
Now im back in the ring to take another swing
Cause the walls were shaking, the earth was quaking
My mind was aching and we were making it and you
