**Am7 G6 C D F**

And when you run away you told me I was better then

Even if you run away, I will find a way to hold you around.

We said let s go away to a place we thought we left

Where we can close our eyes and then pretend that we were kids

And if I fall away, you ll be my guiding eyes

Even if we run away, we ll find a place to hide

You said, well, Rosary, we can find a way around

Even if I run away, I will find a way to hold you around

Hold you down

Hold you down

Even if you run

I ll follow you to make sure you got home
