VERSE:

**C** **F** **C**  
My heart and mind collided, I fell down

I went to my cellar, I found some glue  
**F**  
I stick myself together for now

CHORUS:

**G**  
And baby steps, like the day we felt  
**F**  
The beaches, not the sand

It s a place in mind,  
**C**  
Where we sit and like to shut off  
**F** **\*C F \*C F**  
And just live for a while

I m scattered like ashes on the ground
