Intro:

Ref: One plus one is one, I now It s crazy but It s true.
One plus one is one, and all I want is me and you.

Verse: It s mathematic, you now the score. When you talk about
tearing me, is all that talk or something more.
No complication, no compromise. No need to stop them
figure it out.

Bridge: And when you disunited, but can t be behind it.

Ref: One plus one is one, I now It s crazy but It s true.
One plus one is one, and all I want is me and you.

Verse: No calculations, no Ledded lies. We could kill the
power of love, I m sure It just multiplies.
This love is solo, this love is right. I think we found
the answer this time.

Bridge: There is no subtraction, from a wheel of faction.

Ref: One plus one is one, I now It s crazy but It s true.
One plus one is one, and all I want is me and you.

Solo: Oh yeah, Oh baby common.

Ref: One plus one is one, I now It s crazy but It s true.
One plus one is one, and all I want is me and you.

Ref: One plus one is one, I now It s crazy but It s true.
One plus one is one, and all I want is me and you.
