

Shot Full Of Rock
Ace Frehley

from the album Trouble Walkin
Tabbed by James Lee (*)

Here s a song from guitar god Ace. I m not too sure about the intro so I put in two possibilities. I didn t tab the solo, sorry...

Tune down 1/2 step

- PM = palm mute
- b = slight bend and release
- ^ = legato (hammer-ons and pull-offs)
- T = right-hand tap

Lead up to the intro with E5 chords

Intro:

Here s the easy way to play it:

```

      P  P
      M  M

-----0--0-----|
-----0--0-----0-----|
-----0-1-2---2-1-0-----|
-0-----3--3--3b-0-----3--|
```

Verse:

```
G5                Bb5 C5
Wake up Jack get ready
G5                Bb5 A5
Here we come to rock this town
G5                Bb5 C5
Hold on tight and steady
G5                (pick noise)
Over under sideways down
```

play second half of the intro here

```
G5                Bb5 C5
You must feel the power
G5                Bb5 A5
Fix your eyes upon the stage
G5                Bb5 C5
Watch us now devour
G5                (pick noise)
Everything that gets in our way
```

play second half of the intro here

Interlude:

PM throughout

```
-----|
-----|
-----|
-----5-----6-----7-----8-----9---|
---4---5---6---7---8---|
-3---4---5---6---7---|

---9---10---11---12---13---|
-8---9---10---11---12---|
```

Chorus:

play 5th position A pentatonic minor leads over the chords

A5 G5
 Your fascination with my creation
 A5 G5 D5
 Adds stimulation rock til you drop
 A5 G5
 Hard rock nation lost generation
 A5 G5 D5
 End the frustation get shot full of rock
 *
 Get shot full of rock get shot full of rock

* = use this chord: -----
 --8--
 --7--
 --6--
 --7--
 --0--

Here s the rest of the lyrics:

Taste the hard rock candy
 Guaranteed to melt in your mouth
 Jump back now Jim Dandy
 East west north and south

Catch the rush all over
 Take a chance if you dare
 Ain t got time for posers
 Look out Dick you better beware

Before the chorus, play the interlude bit twice. The second time should be really fast. The chords at the end of the solo are:

E5 D5 E5 D5 A5

The outro chords are:

B5 A5 B5 A5 E5

And the little lead part that gets repeated over and over at the end is:

 T T T T
 -----|
-7^9^10-12-----7^9^10-12-----7^9^10-12-10^9^7--7^9^10-12--
 -----|
 -----|

I m not sure if it s supposed to tapped. If not, play the seventh fret on the first string in place of the tapped notes.
