Lucky Love (acoustic version)
Artist: Ace of Base
Album: The Bridge

Well, here it is! One of the few Ace of Base songs (acoustic) I ve heard. A fun, happy, and easy song to play. My transcription isn t perfect, but still sounds good. I m not 100% sure about the transition from the chorus to the bridge. If you can do better (highly likely) let me know. send comments to Robert, robert@zdesigns.com. Enjoy!

The basic chord progression is F,C,Dm,Bb all throughout the verses and chorus. Listen to the song for the strumming pattern. It isn t too difficult.
