

Ravine

Ace Of Base

Am C-Em

Have you heard, have you heard

Dm Am

About this girl who was ripped up by her roots

Am C-Em

Wanna know what she learnt

Dm Am

Like humility you win when you loose

Am C-Em

I have learnt, I have learnt

Dm Am

The most horrifying nights have an end

Am C-Em

I was hurt and was lost

Dm Am

In the dark I found a way to a friend

C Am Dm Em

I am standing here in my ravine

C Am Dm Em

Once again I see a piece of the sky

C Am Dm

And my joy will never be denied

Dm G Am

Cause I was ment to be here

Am Dm G Em C

The only place on earth where you are near

C G

Where you are near

Am C-Em

Was a flower so frail

Dm Am

And I let the trees grow wild around me

Am **C-Em**
Grew so high, hid the sky

Dm **Am**
Shaded everything I needed to see

Am **C-Em**
Then one night someone came

Dm **Am**
Took a knife and ripped me up by my roots

C **Em**
Tossed astray far away

Dm **Am**
In my darkest night I started to pray

C **Am** **Dm** **Em**
I am standing here in my ravine

C **Am** **Dm** **Em**
Once again I see a piece of the sky

C **Am** **Dm**
And my joy will never be denied

Dm **G** **Am**
Cause I was ment to be here

Am **Dm** **G** **Em** **C**
The only place on earth where you are near

C **G**
Where you are near

Am **Dm** **G** **Em** **C**
Why do you, why do you ask, why I m not blaming my God

Am **Dm** **G** **Em** **Am**
I ll tell you, I ll tell you why, He was the only one there

Repeat Chorus
and Enjoy
