E C#m7
Getting used to this person
A B7 E
I know that I m not gonna let her down
E C#m7
She s on my mind in the mornings
A B7 E
And every waking hour of the day

F#m
Stop pretending
A C#m7
You know that it s ending with you
A
With you
F#m
Stop pretending
A C#m7
You know what I m sending to you
B
To you

E C#m7
You know I write summer songs for no reason
A B
But to make you smile when you feel down
A B
To take away the deepest frown
E C#m7
You know I write summer songs for no reason
A B
But to take your mind of worldly things
A B
To make you know what summer makes me think

E C#m7
Letting her do the talking
A B7 E
I have already said what there s to say
E C#m7
She s in the photos I ve taken
A B7 E
And every story that I choose to tell

F#m
Stop pretending
A C#m7
You know that it s ending with you

A
With you
F#m
Stop pretending

A C#m7
You know what I m sending to you
B
To you

E C#m7
You know I write summer songs for no reason
A B
But to make you smile when you feel down

A B
To take away the deepest frown
E C#m7
You know I write summer songs for no reason

A B
But to take your mind of worldly things
A B
To make you know what summer makes me think
