

**Persistence**  
**Across The Sky**

(Intro: C Eb Bb C Eb Bb G#)

Cm Eb Bb  
I always felt like there was someone guiding me  
Cm Eb Bb G#  
Through the twisted maze of my reality  
Cm Eb Bb  
You never gave up when my hope would fade  
G# Bb  
You showed me signs, so many times

Cm Eb Bb  
As the days went by I sensed Your touch  
Cm Eb Bb  
A steady stream that slowly turned into a flood  
Cm Eb Bb  
With all the evidence I ll ever need  
G# Bb  
There s no question of the way You prove Your love

[CHORUS]

Cm Eb Bb  
Over and over I was turned back around  
Cm Eb Bb G#  
Whenever I wandered somehow You would find me  
Cm Eb Bb  
You ve taken me into Your heart to my home  
G# Bb  
And closed the distance with Your persistence

Cm Eb Bb  
Like an island I have landed on many times  
Cm Eb Bb G#  
Your love has been the only place I could survive  
Cm Eb Bb  
When I m all alone I hear Your voice  
G# Bb  
Constantly, You are there for me

[CHORUS]

I always felt like there was someone guiding me
