If I Fell
Across The Universe

```
     G#m
If I fell in love with you,
          G
Would you promise to be true
     F#        D#m
And help me understand.

      G#m
Cause I ve been in love before
         G
And I ve found that love was more,
     Am            D
Than just holding hands.
```

(Refrão)

```
    G   Am  Bm        Am7
If I give my heart to you,
     D                   G Am Bm
I must be sure from the very start
     Am7        D               G    Am D
That you would love me more than her

     G     Am  Bm
If I trust in you,
   Am7           C
Oh please, don t run and hide
    G     Am  Bm
If I love you too,
    Am7           D               G7
Oh please, don t hurt my pride like her

                      C
Cause I couldn t stand the pain
   Cm                       G          D
And I, would be sad if our new love was in vain

    G     Am  Bm
So I hope you see,
    Am7       D
That I would love to love you
```
