

When Everything Falls Back Down
Action Item

Intro: **D A Bm G**

D

She packed her bags and left

A

She tries to make it out west

Bm **G**

And now she s on her own

D

It s getting harder to breathe and

A

She needs to believe that

Bm **G**

While she s out there she s not alone

D

A

When everything falls back down

Bm

That s where you ll find me

G

You know that I ve been waiting for you

D

A

When everything falls back down

Bm

That s when you ll know

G

That you will never be alone

D **A**

Bm G

You know that I ve been waiting for you

D

She finally gets to sleep

A **Bm**

But all she really dreams of

G

Is a place to restart

D

She s scared, but oh so brave

A

cause she s so far away

Bm **G**

But she ll never be too far

D

And he said hey, when you go

A

Take it slow

Bm

Take a breath and don't forget

G

The place that you call home

Bm

cause I'll be here waiting

G

And time may take its toll

D

A

But while you're out there you gotta know

D

A

When everything falls back down

Bm

That's where you'll find me

G

You know that I've been waiting for you

D

A

When everything falls back down

Bm

That's when you'll know

G

That you will never be alone

D

And these are the words you heard

A

Bm

The ones that may have saved your life tonight

G

D

When everything is falling down around you

G

And I'll surround you

Bm A

I know you'll shine

D

A

When everything falls back down, oh

Bm

G

Everything keeps falling right back, oh

D A Bm G

D

A

When everything falls back down

Bm

That's where you'll find me

G

You know that I've been waiting for you

D

A

When everything falls back down

Bm

That s when you ll know

G

That you will never be alone

D A

You ll never be alone

Bm

G

D

cause you know that I ve been waiting for you

A

I will come back to you

G Bm A
