

**Last Night I Dreamed**  
**Actionslacks**

[Bandinfo:

Actionslacks is kinda american underground rock-pop ... dont think they re really

famous but the music is just wonderful ...]

**A**            **D**  
I want something

**A**            **F#**            **E**            **A**  
I want something good for me

(**A**)            **D**  
I got nothing

**A**                    **F#**            **E**            **B**  
And there s nothing on T-V

(**B**)            **D**  
I m so lonely

**B**                    **D**                                    **B**  
Looking at all my pictures of you

(**B**)            **D**  
It s not funny

**B**                    **D**  
What can I do

[Chorus]

**A**            **E**            **F#**            **D**  
Last night I dreamed

**A**                    **B**            **D**  
That you were losing sleep

**B**            **D**  
Over me

I m so tired  
I m so tired of losing sleep  
I got this crush  
And it s started crushing me  
And I wonder

Do you feel the same as me  
Come on over  
And we can sleep

Chorus

**B**            **A**  
Night is falling

**E**            **B**  
All over town

**B**    **A**            **E**  
I am calling you out

**B**            **A**  
Stars are shining

**E**            **B**  
In steady streams

**B**            **A**            **E**  
I am wishing you sweet dreams

Solo:

[**A** - **E** - **F#** - **D**] x3

[**B** - **D**] x2

Chorus

Note: I wrote this down like i play it ... if something is wrong just tell me
