Active Bird Community

[Verse 1]

G **Em**
I got a hole in my head and some brain got away,
D **D**
got away, when no one was looking,
G **Em**
but I feel okay, No damage done, I call it home,
D **D** **G Em G D**
cause it s where you re from and it sticks in your blood

[Verse 2]

G
I got a whole lot of friends
Em **D**
But they don t know where to go and they re alone
G
And no-one is looking, but I found a plan
Em **D**
To pretend to be like them until it s done
G Em G D
Cause it s what I want
