[C] [F]
Lay your life on mine and I ll carry you through
[C] [F]
Make good use of time and I ll stand with you
[C] [Am] [F]
Cause I ve got all my life to love you and so do you

[F] [G]
So there s no home for doubt
[C] [F]
If you re scared we ll work it out
[F] [G] [C]
And the lives that we share could be anywhere

[F] [G] [C] [F]
For as long as you re mine we can stand the test of time
[F] [G] [C]
For the cost is too high not to love

[C] [F]
Put your cares on mine and we ll carry them through
[C] [F]
Walk the firing lines with the power of two
[C] [Am] [F]
Cause I ve got all my life to save you and so do you

[F] [G]
So there s no home for doubt
[C] [F]
If you re scared we ll work it out
[F] [G] [C]
And the lives that we share could be anywhere

[F] [G] [C] [F]
For as long as you re mine we can stand the test of time
[F] [G] [C]
For the cost is too high not to love
