

Come Undone
Adam Barnes

CAPO 3

[Verse]

C **F**
All of the stars are singing notes I ve never heard
Am C **F**
Let them ring, because in time we ll play the chords that I prefer
Am C **F**
Let em to dance like young birds

C **F**
Give me more time, I will replace these things
Am C **F** **Am**
With diamonds or pearls, that shine and sing, like wedding rings
C **F**
Will i have the time to say goodbye?

[Chorus]

F **C**
I am the darkness in the sky
F **Em**
The sweeping wind that haunts the night
F **C**
The burning fire from deep inside
G
Will come undone
F **C**
Just give me another time to fight
F **Em**
Another chance to say goodbye
F **C**
Iprepared to let the lie
G
Come undone, come undone

[Verse]

C **F**
Another painful day, my hands are red and torn
Am C **F**
