

Thats Everything

Adam Brand

Hey guys this is my first tab, so please let me know what you think :)
This is an incredible song by an even more incredible Aussie artist - one of my absolute favourites! Hope you enjoy!

*I m a little unsure about the Am in the verse, but I tried a bunch of other chords and they didn t sound as accurate, so if you find something that sounds better, let me know :)

~That s Everything~

By Adam Brand

INTRO:

C F C F G

VERSE 1:

F C
As hard as Iâ€™ve been working I just canâ€™t get ahead
F G C
If I could find some luck and change my game around
F C
I could buy you a house and fill it up with things
Am G F
If I could earn enough Iâ€™d get down on one knee
G
And she saidâ€™|

CHORUS:

C F
I donâ€™t need two tickets to Paris, I donâ€™t need a three-carrot ring
G F C G
No horse drawn carriage, champagne in the spring
C Em
All I need is you to run to, come home to, wake up to
Am G F G
When I fall asleep with you right next to me
C F G
Thatâ€™s everything

VERSE 2:

F C
I watched both my parents down on struggle street
F G C
Getting by on a shoe string and a prayer
F C

30 years living on, love is all you need

Am **G** **F** **G**
Daddy never built a castle, but mamma felt just like a queen

And she said "I

CHORUS:

C **F**
I don't need two tickets to Paris, I don't need a three-carrot ring

G **F** **C** **G**
No horse drawn carriage, champagne in the spring

C **Em**
All I need is you to run to, come home to, wake up to

Am **G** **F** **G**
When I fall asleep with you right next to me

That's everything

INSTRUMENTAL:

F **C** **F** **G**

CHORUS:

C **F**
I don't need two tickets to Paris, I don't need a three-carrot ring

G **F** **C** **G**
No horse drawn carriage, champagne in the spring

C **Em**
All I need is you to run to, come home to, wake up to

Am **G** **F**
When I fall asleep with you right next to me

G **Am** **G** **F** **G**
Well common baby yeah fall asleep right here next to me

C
That's everything

F **C** **F**
Oh that's everything

C **F**
You're everything

C **F**
You're my everything

C
And that's everything
