Verse 1

**Em7** I can feel it all over my skin,  
**Cadd9**  
Itâ€™s pouring out from the depths within,  
**G**  
Like a river running with no end in sight.  
**Gmaj9**  
**Em7** Everythingâ€™s right.  
**Cadd9**  
You can see it all over my face,  
**G**  
I donâ€™t ever want to leave this place,  
**Gmaj9**  
When I am wrapped in Your embrace I find  
**Em7** **Gmaj9**  
that the search is through,  
**Em7** **Gmaj9**  
All thatâ€™s left to do  
**Em7** **Gmaj9**  
is fall into Your arms  
**Em7** **G**  
and give You all my heart.

Chorus-

**Cadd9** **G**  
All I really want is You.  
**Gmaj9** **Em7**  
Nothing better I can find.  
**Cadd9** **G**  
All I really want to do  
**Gmaj9** **Em7**  
is tell the world that You re mine.  
**Cadd9** **G**  
I ve been everywhere and I-I-I know,  
**Gmaj9** **Em7**
