**G** **D/F#**  
 I dont wanna die in corduroy  
 I count up every time she comes, she shakes  
 If I could Id live on Oreos  
 Id grow my hair long and dry it straight

**Em** **D** **C**  
 Shes always been a girl wrapped in boys and I was breaking up the band  
 A lot of every little thing that makes you better Isnt name brand (chorus)  
 If I knew Id just be still and know everything Id be exquisite  
 I love you and you sparkle Im okay today I really needed it (chorus/ solo over  
 verse /chorus/ end)

Chorus

D/F#                      G                                          C                      D  
You're my favorite thing when you help me make him over

D/F#                                      G                                      Em                      D  
If I could sleep with my arms around you I would forever

D/F#                      G                                      Em                      D                      G D/F# C/E D  
I wouldn't get anything done ever.. Supernova

End

G                      D/F#                      Em                      D  
I dont wanna die in corduroy, she always been a girl wrapped in boys

G                      D/F# C/E D (repeat end on C)  
and I was breaking up the band, Supernova
