CAPO 1

G C G D x2

G C G D
Tonight, Im feeling different,
G C G D
Something has taken over me,
G C G D
Im not sticking with my usual tonight,
G C G D
This time I want an African queen,
G C G D
Im so fed up with all of them dumb blondes,
G C G D
Those valley girls from Laguna Beach,
G C G D
I want my girl to be straight from Queens or Harlem,
G C G
Cause them girls have damn plenty to teach,
D
A white boy like me,

CHORUS

G D C D
G D C D
Tonight, Ive got jungle fever,
G D C D
Thats right, I want a brown bundle of beaver,
G D
And a girl that would kick my ass,
C D
If I ever stole her weave-r,
C D
Tonight, tonight,
G
Ive got jungle fever,

C G D
G C G D

G C G D

Shes got to have them lovely lady lumps,
 G C G D
 And voluptuous lips, they turn me on,
 G C G D
 And I want my girl to be dressed in D.K.N.Y.,
 G C G D
 And her name to be Marquita-Raquita-Shaude-Lequan,
 G C G D
 Shes gotta have those sexy chocolate legs,
 G C G D
 And fingernails all done up and long,
 G C G D
 But most importantly I want that big ol booty,
 G C
 And I want you to shake it,
 G D
 In that thong, th-thong, thong, thong,

G D C D
 Tonight, Ive got jungle fever,
 G D C D
 Thats right, I want a brown bundle of beaver,
 G D
 And a girl that would whoop my ass,
 C D
 If I ever said Id leave her,
 C D
 Oh, tonight, tonight,
 G
 Ive got jungle fever,

C G D
 G C G D

G C G D
 Shed always be my hollaback girl,
 G C G D
 My sugar-mama, sista of funk,
 G C G D
 And yes, I wish my girlfriend was hot like she is,
 G C G D
 And I know what Id do with the junk in that trunk,
 G C G D
 Cause I like big butts, and I cannot lie,
 G C G D
 My dream woman is a diva,
 G C G D
 And I would pass up sex with Paris Hilton,
 G C G D
 For one steamy night alone with Queen Latifah,

C D G
Well, after wed pass all of the Courvoisier,

(Pass the Courvoisier)

C D G
And well put on a little Roberta Flack,

(Killing me softly!)

C D G D
Well, then shed go eating in my candy shop,
C D
And, once I go black, you know what they say,
D
Ill never go back,

G D C D
Tonight, Ive got jungle fever,
G D C D
Thats right, you my Halle Berry, Im your Just-in Bieber,
G D
I want a girl that kicks my ass,
C D
When I ask her to keep it down in the movie theater,
C D
Oh, tonight, tonight,
G
Ive got jungle fever,

C G D

G C G D

THE END.
