

**Jungle Fever**

**Adam Dodd**

Jungle Fever

Written By Adam Dodd

CAPO 1

**G# C# G# Eb x2**

**G# C# G# Eb**  
Tonight, Im feeling different,  
**G# C# G# Eb**  
Something has taken over me,  
**G# C# G# Eb**  
Im not sticking with my usual tonight,  
**G# C# G# Eb**  
This time I want an African queen,  
**G# C# G# Eb**  
Im so fed up with all of them dumb blondes,  
**G# C# G# Eb**  
Those valley girls from Laguna Beach,  
**G# C# G# Eb**  
I want my girl to be straight from Queens or Harlem,  
**G# C# G#**  
Cause them girls have damn plenty to teach,  
**Eb**  
A white boy like me,

CHORUS

**G# Eb C# Eb**

**G# Eb C# Eb**  
Tonight, Ive got jungle fever,  
**G# Eb C# Eb**  
Thats right, I want a brown bundle of beaver,  
**G# Eb**  
And a girl that would kick my ass,  
**C# Eb**  
If I ever stole her weave-r,  
**C# Eb**  
Tonight, tonight,  
**G#**  
Ive got jungle fever,

**C# G# Eb**  
**G# C# G# Eb**

**G# C# G# Eb**

Shes got to have them lovely lady lumps,  
**G# C# G# Eb**  
 And voluptuous lips, they turn me on,  
**G# C# G# Eb**  
 And I want my girl to be dressed in D.K.N.Y.,  
**G# C# G# Eb**  
 And her name to be Marquita-Raquita-Shaude-Lequan,  
**G# C# G# Eb**  
 Shes gotta have those sexy chocolate legs,  
**G# C# G# Eb**  
 And fingernails all done up and long,  
**G# C# G# Eb**  
 But most importantly I want that big ol booty,  
**G# C#**  
 And I want you to shake it,  
**G# Eb**  
 In that thong, th-thong, thong, thong,

**G# Eb C# Eb**  
 Tonight, Ive got jungle fever,  
**G# Eb C# Eb**  
 Thats right, I want a brown bundle of beaver,  
**G# Eb**  
 And a girl that would whoop my ass,  
**C# Eb**  
 If I ever said Id leave her,  
**C# Eb**  
 Oh, tonight, tonight,  
**G#**  
 Ive got jungle fever,

**C# G# Eb**  
**G# C# G# Eb**

**G# C# G# Eb**  
 Shed always be my hollaback girl,  
**G# C# G# Eb**  
 My sugar-mama, sista of funk,  
**G# C# G# Eb**  
 And yes, I wish my girlfriend was hot like she is,  
**G# C# G# Eb**  
 And I know what Id do with the junk in that trunk,  
**G# C# G# Eb**  
 Cause I like big butts, and I cannot lie,  
**G# C# G# Eb**  
 My dream woman is a diva,  
**G# C# G# Eb**  
 And I would pass up sex with Paris Hilton,  
**G# C# G# Eb**  
 For one steamy night alone with Queen Latifah,

**C#**                    **Eb**                    **G#**  
Well, after wed pass all of the Courvoisier,

(Pass the Courvoisier)

**C#**                    **Eb**                    **G#**  
And well put on a little Roberta Flack,

(Killing me softly!)

**C#**                    **Eb**                    **G#**                    **Eb**  
Well, then shed go eating in my candy shop,  
**C#**                    **Eb**  
And, once I go black, you know what they say,  
**Eb**  
Ill never go back,

**G#** **Eb**                    **C#**                    **Eb**  
Tonight, Ive got jungle fever,  
**G#**                    **Eb**                    **C#**                    **Eb**  
Thats right, you my Halle Berry, Im your Just-in Bieber,  
**G#**                    **Eb**  
I want a girl that kicks my ass,  
**C#**                    **Eb**  
When I ask her to keep it down in the movie theater,  
**C#**                    **Eb**  
Oh, tonight, tonight,  
   **G#**  
Ive got jungle fever,

**C#**    **G#**    **Eb**

**G#**    **C#**    **G#**    **Eb**

THE END.
