CAPO 1

**A D A E x2**

**A D A E**  
Tonight, Im feeling different,  
**A D A E**  
Something has taken over me,  
**A D A E**  
Im not sticking with my usual tonight,  
**A D A E**  
This time I want an African queen,  
**A D A E**  
Im so fed up with all of them dumb blondes,  
**A D A E**  
Those valley girls from Laguna Beach,  
**A D A E**  
I want my girl to be straight from Queens or Harlem,  
**A D A**  
Cause them girls have damn plenty to teach,  
**E**  
A white boy like me,

CHORUS

**A E D E**

**A E D E**  
Tonight, Ive got jungle fever,  
**A E D E**  
Thats right, I want a brown bundle of beaver,  
**A E**  
And a girl that would kick my ass,  
**D E**  
If I ever stole her weave-r,  
**D E**  
Tonight, tonight,  
**A**  
Ive got jungle fever,

**D A E**  
**A D A E**

**A D A E**

Shes got to have them lovely lady lumps,  
A D A E  
And voluptuous lips, they turn me on,  
A D A E  
And I want my girl to be dressed in D.K.N.Y.,  
A D A E  
And her name to be Marquita-Raquita-Shaude-Lequan,  
A D A E  
Shes gotta have those sexy chocolate legs,  
A D A E  
And fingernails all done up and long,  
A D A E  
But most importantly I want that big ol booty,  
A D  
And I want you to shake it,  
A E  
In that thong, th-thong, thong, thong,

A E D E  
Tonight, Ive got jungle fever,  
A E D E  
Thats right, I want a brown bundle of beaver,  
A E  
And a girl that would whoop my ass,  
D E  
If I ever said Id leave her,  
D E  
Oh, tonight, tonight,  
A  
Ive got jungle fever,

D A E  
A D A E

A D A E  
Shed always be my hollaback girl,  
A D A E  
My sugar-mama, sista of funk,  
A D A E  
And yes, I wish my girlfriend was hot like she is,  
A D A E  
And I know what Id do with the junk in that trunk,  
A D A E  
Cause I like big butts, and I cannot lie,  
A D A E  
My dream woman is a diva,  
A D A E  
And I would pass up sex with Paris Hilton,  
A D A E  
For one steamy night alone with Queen Latifah,

**D**                    **E**                    **A**  
Well, after wed pass all of the Courvoisier,

(Pass the Courvoisier)

**D**                    **E**                    **A**  
And well put on a little Roberta Flack,

(Killing me softly!)

**D**                    **E**                    **A**                    **E**  
Well, then shed go eating in my candy shop,

**D**                    **E**  
And, once I go black, you know what they say,

**E**  
Ill never go back,

**A** **E**                    **D**                    **E**  
Tonight, Ive got jungle fever,

**A**                    **E**                    **D**                    **E**  
Thats right, you my Halle Berry, Im your Just-in Bieber,

**A**                    **E**  
I want a girl that kicks my ass,

**D**                    **E**  
When I ask her to keep it down in the movie theater,

**D**                    **E**  
Oh, tonight, tonight,

**A**  
Ive got jungle fever,

**D**    **A**    **E**

**A**    **D**    **A**    **E**

THE END.
