Written By Adam Dodd

CAPO 1

Intro Single strums

G **Am**
Just like the wind,
C **D**
Sent chills down my spine,
G **Am** **C** **D**
And the waves smashed down from a high,
G **Am**
And the rain fell cold,
C **D**
On a hot summers night,
C **D** **G**
And the sun would shine just for you and I,

But, the,

G **Am** **C** **D**
Wind never blew, my best friend,
G **Am** **C** **D**
And the waves, they never crashed my car,
G **Am** **C** **D**
And the rain never poured hot wax on my ballsack,
C **D** **G**
And the suns beatings never left a scar,

G **D**

G **Am** **C** **D**
Our river of love would run fast and deep,
G **Am** **C** **D**
And the trees would sway to and fro,
G **Am** **C** **D**
And the leaves of your heart, rest softly on the ground,
C **D** **G** **D**
And a star would soar so low,

But, **A**,

G **Am** **C** **D**
River would never run, out on its man,
G **Am** **C** **D**

And a tree would never swing both ways,

G **Am** **C** **D**
And a leaf would never fall in love with their co-workers cousin,
 C **D** **G** **D**
And a star would never fuck your best friend,
