

**Take Me With You**  
**Adam Gontier**

ADAM GONTIER-TAKE ME WITH YOU

STANDARD TUNING

TAKE ME WITH YOU

VERSE

**D** **G** **D**  
If I could just try to reach out from the dark  
**G** **D** **A**  
To put my dizzy head beside my heart  
**D** **G** **D**  
And if I could just lie in silence here for a while  
**G** **D** **A**  
I d picture all the times you made me smile...

BREAK

**G** **A**  
I want you to know...

CHORUS

**G** **A** **D**  
That if you go, you ll take a piece of me  
**G** **A** **D**  
The world I know would be brought down to its knees  
**G** **A** **D** **E**  
And a pain inside would be too much for me to bear  
**G**  
So if you have to leave,  
**A** **D**  
Promise that you take me with you there

(Similar verse 1)

If we could just stop time from going so fast  
We take the moments in and we make them last  
And if we could just try to look back at our lives  
Back when we were young and we felt so alive

**G** **A**  
I want you to know...

(Similar chord 1)

That if you go, you ll take a piece of me

The world I know would be brought down to its knees  
And a pain inside would be too much for me to bear

So if you have to leave,  
Promise that you take me...

BREAK 2

**Bm**

I ll do my best to move on

**F#m**

Try my hardest to be strong

**A**

**G**

But I know you re always beside me

**Bm**

And every lonely road I walk on

**F#m**

Will hear me singing this song

**A**

**G**

Cause it reminds me of you

**D**

If I could pretend

**G**

**D**

Pretend it s a dream

**G**

**D**

**A**

It s not as bad as it seems

(Similar chord)

If you go, you ll take a piece of me

The world I know would be brought down to its knees

And a pain inside would be too much for me to bear

So if you have to leave,

Promise that you take me...

And if you have to leave,

Promise that you take me with you there

//For more information about the tab, about how to play (rhytm), listen the Adam

Gontier Song, when I can, I ll upload how to play it, a video lesson, ENJOY IT
